adequately and timely prepared so that the trial can proceed efficiently and intelligibly.”).

28 ² Advisory Committee Notes to 1993 Amendment to Federal Rules of Civil Procedure regarding Rule

Ngo*, 548 U.S. 81, 94-95 (2006) ("[P]roper exhaustion improves the quality of those prisoner suits that are eventually filed because proper exhaustion often results in the creation of an administrative record that is helpful to the court. When a grievance is filed shortly after the event giving rise to the grievance, witnesses can be identified and questioned while memories are still fresh, and evidence can be gathered and preserved.").

1 receiving additional documents and/or evidence). The objection should include
2 the basis for not providing the documents and/or evidence. If Defendant(s)
3 object based on the official information privilege, Defendant(s) shall follow the
